The reply to this communication should be addressed to the Secretary to the Resident in Mysore, Bangalore, by designation and not by name.

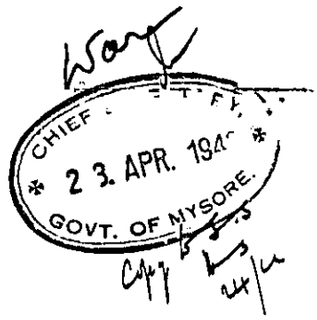
No. F.3(23)-42/W.

FROM

THE SECRETARY TO THE HON'BLE THE RESIDENT IN MYSORE.

To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.



Dated Bangalore, the 23rd April *1942*.

Drugs and medical stores for Air Raid Precautions Casualty Services.

SIR,

I am directed to refer to my letter No.D.200-42/W, dated the 14th January 1942.

2. The Government of India state that bulk orders have now been placed in America for the drugs and medical equipment detailed in their telegram No.43/41-A.R.P.II, dated the 9th January 1942; it is not, however, expected that deliveries will begin to arrive in India for some considerable time.

3. In view of the delay which is anticipated before deliveries arrive, it has now been decided by the Government of India that Provincial Governments should make arrangements locally for their initial requirements (inclusive of the authorised reserve) of drugs and medical stores for Air Raid Precautions Casualty Services. On arrival in India the stores now ordered by the Government of India will be placed in a Central Depot to form a reserve from which replacements of expendable medical stores and equipment of Air Raid Precautions Casualty Services and Hospitals can be issued to those towns in which air raids actually take place.

4. The Government of India suggest that the Indian States and Administered Areas should similarly make their own arrangements for

for obtaining their initial requirements of medical stores. They add that in the event of any town in these areas being raided an indent can then be placed on their Civil Defence Department for the supply of expendable medical stores to replace those used as a result of the raids.

I have the honour to be,
Sir,
Your most obedient servant,

for SECRETARY TO THE RESIDENT.
